Nikolics Milan E.V (self-employed)

10/2019 - Present

Making of websites, web applications for individuals and small businesses.

EDUCATION

System Administrator, SZÁMALK-SALESIAN POST-
SECONDARY INSTITUTE

2012-2014

WORK PREFERENCES

- Full and part time appropriate
- Only remote - home office work (max 1 day/week in office)
- Both as an employee and as an entrepreneur, but I prefer the employee.

ABOUT

For me, development is not just making a living, it's a hobby and my favourite pastime, and I would do it even if I didn't get paid. Development for me means doing what I love to do.

Nikolics Milán
