WORK PREFERENCES

- Full and part time appropriate
- Only remote work (max 1 day/week in office)
- Both as an employee and as an entrepreneur, but I prefer the employee.
- My net salary expectation i will give it in strips. It's depends on the job: **350000 - 600000 HUF**

ABOUT

For me, development is not just a job, it's a hobby and my favourite pastime, and I would do it even if I didn't get paid. Development for me means making a living doing what I love to do.

Nikolics Milán
